

Alabama technology plan diagnostic guidance 2019-20

Getting started

1. Log in to eProve diagnostics at <http://eprovediagnostics.advanc-ed.org/diagnostics/>

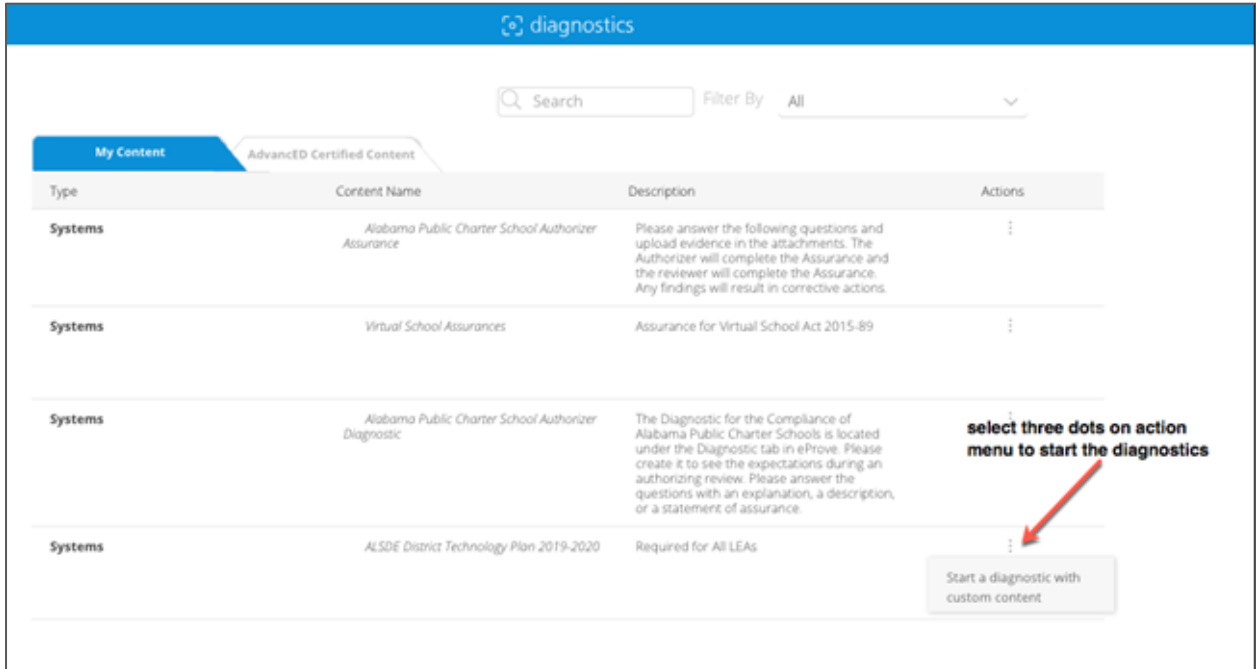

2. If coming from MyJourney, select the **diagnostics** widget.
3. Select the menu icon in the upper left corner of the My Diagnostics dashboard.
4. Select Content Library from the menu.
Note: Go to “My Content” in the Content Library to start your Technology Plan. Once started, find the plan under “My Diagnostics.”

Name	Institu
ALSDE District Technology Plan 2019-2020_04302019_11:47	Alabar Depart
ALSDE District Technology Plan 2019-2020	Educa
Virtual School Assurances_04022019_08:56	Alabar Depart
Virtual School Assurances	Educa

5. Select the vertical ellipsis (three dots) from the Action menu on the right-hand side to start the diagnostic.

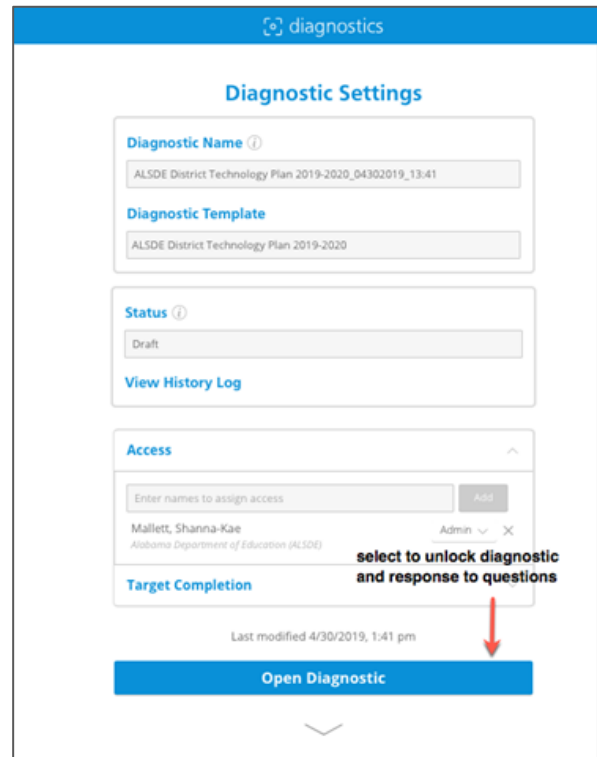

Starting the 2019-2020 diagnostic

6. Navigate to the settings panel.
7. Select Open Diagnostic to unlock the diagnostic and respond to questions.

Using last year's technology plan

You may copy and paste information and attachments from your 2018-19 technology plan in ASSIST into eProve diagnostics.

1. Access your 2018-19 plan from ASSIST at <https://cas.advanc-ed.org/cas/login>
2. Attach the following documents into eProve diagnostics:
 - Technology Inventory (Update and use the inventory spreadsheet from 2018-19)
 - The Goals and Plans for your Technology Plan
 - The Assurance Document
 - Virtual School Policy
 - Data Governance Policy and Procedure
